Sir,

Re the grant for water-supply to Belur Town

I have the honour to state that the Municipal President of Belur has intimated that there is difficulty for drinking water in Belur town and that there is need for improving water supply to certain extensions The Sanitary Engineer has prepared an estimate for Rs 3600/- for this purpose and the Municipal Council have agreed in their resolution dated 2-2-1949 to meet half of the cost, the balance being met out of Government grant Necessary provision has been made in the sanctioned budget for the current year under the head " C - Public Works" for this purpose and the Municipality will pay their share of the cost

As the work is said to be urgent and the Public are urging for Tap connections, I request that sanction of Government may kindly be obtained to the estimate for Rs 3600/- and for a grant of Rs 1800/- very early

Estimate and copy of resolution are enclosed

Yours Faithfully,

Deputy Commissioner,
